### Address

9 bakshi bazar Road, Old  
Dhaka, Dhaka-1211

## COMMUNICATION SKILLS

Excellent networking and presenting abilities, as well as excellent communication skills.

## HOBBIES

Problem solving, experimenting with new technology, Pixel Art.

## PROFILE INFO

A devoted problem solver with a strong interest in open source. I am very driven and love taking on new tasks, as well as being adaptable enough to work under pressure. I'm always looking for new ways to acquire new skills and technology by taking on new challenges.

I am looking for an opportunity that lets me explore more depth of software engineering.
